TLI30319 Certificate III in Supply Chain Operations

K.S. TRAINING
Inspiring people to achieve more

NATIONALLY RECOGNISED TRAINING

This is a qualification for those engaged in supply chain operations and includes specialisations for logistics and warehousing operations.

It involves a defined range of skilled operations, usually within a range of broader related activities involving known routines, methods and procedures, where some discretion and judgement is required in selecting equipment, services or contingency measures within known time constraints. It may also include responsibility for coordinating the work of others.

KS Training Entry Requirements

To be eligible for this course, students must:

• Have completed Year 10 or equivalent.

• Be 16 years old and over (15 years for Funded program)

• Have a minimum ACSF Level 2;

• Complete a language, literacy, and numeracy test.

• Have basic computing skills.

• Be physically fit for potential lifting requirements.

• Must have access to a computer/laptop/tablet/smartphone device with up to date software and a stable internet connection, and

• Provide their USI

Possible Job Roles

Are you just starting your career? Or are you looking for a career change?

This qualification could lead to employment as:

• logistics operator

• warehouse operator

• supply chain administration operator

• supply chain administration officer

• rail terminal operator.

Course Duration

This course will take learners from beginner to professional warehousing and storage worker in up to Twenty Four (24) months. Students will get a solid education in the fundamentals of warehousing operations and services, and will graduate job ready

Assessment Overview

The methods in which students are assessed may include theory based assessments, case studies, projects and observations.

• This qualification is ungraded. Successful students will receive a qualification which shows their level of achievement for each unit as Competent, unless Credit Transfer of Recognition of Prior Learning (RPL)* is granted for any units, in which case that will be indicated instead.

• Every assessment must be successfully completed to demonstrate competence in each unit.

• If you do not successfully complete an assessment, you will be given the opportunity to undertake a second assessment at another time.

* All students are eligible to apply for Recognition of Prior Learning (RPL)

Support Services

• LLN support

• Career counselling

• Tutorials

• Assessment support

• Referral to personal counselling.

Participants will need to complete fourteen (14) units of competency, two (2) core units, and twelve (12) elective units for this qualification. Please see below for a typical TLI30319 Certificate III In Supply Chain Operations course program.

Core Units

Unit Code	Unit Title
